Blanche Pope Elementary School

Caring for the Waimānalo Community

Located at Blanche Pope Elementary School, ‘Ohana Resource Center serves as a hub of support for the Waimānalo community, connecting families with essential resources and services. Through regular distributions, the center welcomes local families, students, kūpuna, and individuals experiencing homelessness, creating a space where community members can access the support they need.

"Our annual family needs assessment identified food security as the greatest need among our families. Partnering with Aloha Harvest has helped us meet that need by providing food for our community. The variety of foods has been especially appreciated, and the feedback from families has been overwhelmingly positive."

— Kapua Kahanaoi, ‘Ohana Resource Center Director

Since first partnering with Aloha Harvest in April 2024, ‘Ohana Resource Center has helped distribute more than **26,350** pounds of rescued food from Foodland and Whole Foods Market to individuals and families across Waimānalo, addressing food insecurity and ensuring food reaches those who need it most.

Mahalo to the ‘Ohana Resource Center team for their dedication to serving Waimānalo. Together, this partnership helps strengthen food security, support local families, and ensure good food reaches those who need it most.

Mad Pie Pizza

Feeding Community Beyond the Table

Located in Kaka’ako, Mad Pie Pizza is a local pizza spot known for serving up fresh, handcrafted pies to the Honolulu community. As part of a neighborhood-centered food business, they’ve also stepped into a meaningful role in helping reduce food waste and support local families through food recovery.

Since partnering with Aloha Harvest in September 2025, Mad Pie Pizza has donated over **3,405** pounds of surplus prepared food, which has been redirected to nonprofit agencies across O’ahu that serve individuals and families facing food insecurity.

We’re grateful to Mad Pie Pizza for their partnership and ongoing commitment to ensuring quality food is shared with the community instead of going to waste.

"Food waste prevention is important to Mad Pie because food waste is something you want to keep minimal. We partnered with Aloha Harvest knowing that any of our leftovers or food that would’ve otherwise gone to waste would be going to a good cause for our community."

— Chef James Orlando, Mad Pie

Charity Walk

Supporting Hawai'i's Nonprofits

Aloha Harvest was proud to participate in the 2026 Visitor Industry Charity Walk, Hawai'i's largest fundraising event supporting local nonprofits across the islands. Established in 1978, the Charity Walk has raised over \$51 million to date for organizations serving Hawai'i's families, kūpuna, keiki, and individuals in need.

This event brought together more than 2,000 walkers in support of local nonprofits. Funds raised help provide essential services, including food access, housing, healthcare, and other critical resources for those most in need throughout Hawai'i.

This year, Aloha Harvest was proud to sponsor the breakfast station, providing free breakfast and refreshments to walkers before they began their journey. We also had a few supporters participate in the walk, helping celebrate this statewide tradition of giving back. Mahalo to everyone who joined us in supporting Hawai'i's nonprofit community.
